

**Do you think all chemists do is blow things up? Would you like to conduct some experiments yourself - and take a tour of a working excipient manufacturer? Do you want to find out what an excipient is? Then attend the.....**

## **Boy Scout Chemistry Merit Badge Clinic Saturday, September 20, 2008**

To be held at Jost Chemical 8150 Lackland Rd. St. Louis, MO 63114.

(Directions at <http://jostchemical.com/contact-us.html>)

Registration begins at 8am, the opening session will begin promptly at 8:30 am.

To register, contact Lisa Balbes at 314-966-5298 or [lisa@balbes.com](mailto:lisa@balbes.com) prior to September 1st.

Leave your name, rank, troop number, phone number, and email address. Registration is limited.

Please **bring with you:**

- Chemistry Merit Badge booklet - 2004 or later edition, READ from cover to cover.
- Merit Badge Application Card- signed by your scoutmaster
- Sack lunch and drink
- Safety glasses, if you have them. If not, they will be provided.
- Wear your scout uniform. Due to the nature of the activities, long pants are required and class B uniforms are preferred.

**Prework** - All merit badge requirements will be completed at this clinic, with the exception of 4a (cooking and eating an onion). This requirement must be completed prior to the workshop.

From 12:30 to 2pm, merit badge counselors will meet with scouts individually to check their requirements and sign merit badge cards.

**This event is sponsored by:**

**The St Louis Section of the American Chemical Society**

**The Jost Chemical Company**

**Paul W. Brown**

**William Ridley**
