

# **Chemical Bond**

Volume 60  
Number 9  
December, 2009

---

St. Louis Section, American Chemical Society

---

Coming Soon  
to a Screen Near You

You know how magazine publishers like to galvanize you to action with breathless “This will be your last issue—renew *now*” warnings as your subscription expires? This month, we really mean it:

This is your final issue of the *Chemical Bond* in its current format: printed, bound, and mailed.

... and a galvanic response is entirely appropriate. But next month, the *Chemical Bond* will be all-electronic. You can't renew.

What *can* you do, then?

- If you would like to **receive a reminder** each month when the web edition is posted, you can subscribe at [www.stlacs.org/mailman/listinfo/bond.remind](http://www.stlacs.org/mailman/listinfo/bond.remind). You can also follow the link to “Manage bond.remind options” from the home page at [www.stlacs.org](http://www.stlacs.org).
- If you prefer to **manage your own reminders**, create a calendar entry in your PDA for the first of the months January–May and September–December, to check at [www.stlacs.org](http://www.stlacs.org) for a link to the current issue. Or keep it simpler and set it for every month. We might occasionally have something to share during the summer.
- If you **don't have a computer** at home, remember that most public libraries offer free internet access. Go to [www.stlacs.org](http://www.stlacs.org) and find the link to the current issue in the QuickLinks column on the left.
- If you **simply can't** get to the internet, send a postcard or letter to  
St Louis Section–ACS  
P.O. Box 220291  
Saint Louis, MO 63122-0291  
and ask to have the web page printed and mailed to you. Be sure to include your full mailing address and your ACS member number. (You can just copy or cut out the printed address on the back cover of this issue. See p. 7.) We will ask you to renew this request every year to be sure we have up-to-date information.

**ELEMENTAL ANALYSIS**

# Chemical Bond

Volume 60

No. 9

December, 2009

The *Chemical Bond* is published January through May and September through December by the St. Louis Section–American Chemical Society. It is mailed free of charge to members of the section at their address on file at ACS National Headquarters. Changes of address for members will be made automatically upon notification to National ACS Headquarters; send old and new address with zip codes to ACS Subscription Service Department, 1155 16th St. N.W., Washington, DC 20036 or visit [chemistry.org](http://chemistry.org), log in, and go to Update my Profile. Allow eight weeks for change to take effect.

The domestic subscription rate for non-members/affiliates is \$15.00 per year. Subscription orders and changes of address for non-members/affiliates should be mailed to St. Louis Section–ACS, 125 West Argonne Drive, St. Louis, Missouri 63122 or e-mailed to the Editor.

## In this issue

- 2 | Goodbye *Chemical Bond*, hello *webBond*, *eBond* (whatever)
- 4 | Meetings and seminars
- 5 | Continuity Dinner: reserve *now*
- 7 | Internet-unready? opt for a mailed copy

Have a wonderful holiday season. Join us for the new greener, more colorful, up-to-dater *Bond-on-the-web* in January.

# Meeting & Seminars

## Board of Directors

St. Louis Section-ACS Board of Directors meets the second Thursday of each month, usually at the Glen Echo Country Club (map available on website). Meetings are open to all members, and all are encouraged to attend. Elected officers and chairs of major committees vote on questions put to the Board; others in attendance have voice but no vote.

December's meeting is the Continuity Dinner, a fancier-than-usual Board Meeting to mark the official passing of the gavel from the outgoing to the incoming Chair. There is a General Meeting of the Section, the Distinguished Service Award winner is announced, the Henry Godt Memorial Lecture is delivered by a secret speaker.

We eat a little better, dress a little nicer, and often welcome members we haven't seen around for awhile. Even if you never attend any Section functions, you might want to put this one on your calendar.

**Date:** Dec 10 Continuity Dinner. If you act now, you may still have time to get your reservation in. See facing page.

**Social hour, open bar (beer, wine, soft drinks):** 5:30 pm

**Dinner and meeting with all the extras:** 6:30 pm

**Next month:** Jan 14

## Saint Louis University

Seminars start at 12 noon in Room 12 Monsanto Hall, except as noted. For more information, contact the Chemistry Department, 314.977.2850.

.....  
December 4  
**Dr. Kathleen V. Kilway**  
Univ. of Missouri-Kansas City  
TBA

## Univ of Missouri-St Louis

Mondays at 4 pm in 451 Benton Hall, unless otherwise specified. Refreshments 15 minutes prior to seminar time. For more information, contact the Chemistry Department, 314.516.5311. All topics were TBA at press time.

.....  
December 7  
**C. Michael Drain**  
Hunter College, City University of New York  
*New Concepts for the Applications of Metalloporphyrinoids*

## Washington University

Seminars are in McMillen 311 at 4 pm unless otherwise noted. For information, contact Lev Gelb, gelb@wustl.edu. At press time, no seminars were on for December.

**Will you be needing the webBond  
printed and mailed to you?**

If you won't be able to access the *Chemical Bond* on the internet starting in January, we'll print it and mail it to you on request. It won't be as pretty as the booklet format you're used to, but it will provide all the information you need to keep up with Section news and activities.

Please help us adhere to the spirit of our web-only *Bond*. Request mailing only if you *can't* get to the internet. Cut this item out—your contact information will be on the other side—confirm your request below, and mail to:

St Louis Section-ACS  
P.O. Box 220291  
Saint Louis, MO 63122-0291

Yes, please print the webBond and mail it to me at the address on the other side. This request is effective for all issues in 2010 or until I send you other instructions.
